MINNEAPOLIS LEADER TO ADDRESS LODGE APRIL 28th

Luncheon Club Wind-up and General Meeting scheduled for . . . KARLINS' Visit.

Arnold Karlins, outstanding leader of Minneapolis Jewry, will address Winnipeg Lodge of B'nai B'rith on two occasions on Wednesday, April 28. He will speak first at the Annual Wind-up of the Luncheon Club at The Marlborough Hotel at 12.20 o'clock on the subject "A Few More Crumbs" and in the evening he will address a general meeting of members and their ladies in Theatre "A" of the University of Manitoba, Broadway Buildings, commencing at 8:30 o'clock. His evening topic will be "How Shall We Answer Our Dead?"

Mr. Karlins is an attorney-at-law presently holding an important post with the United States government as Head Interpretation Attorney of the Rent Control Office of the OPA (Office of Price Administration). He has been an active leader of B'nai B'rith for many years. As Past-President and now as Program Chairman of the Minneapolis Lodge, he is well acquainted with B'nai B'rith work and

ARNOLD KARLINS

its problems. His services to the community cover a wide field. He is secretary of the Minneapolis Federation for Jewish Services and co-chairman of the Minneapolis Inter-Faith Fellowship Club. He has been vice-president of the Minneapolis Talmud Torah.

In his professional capacity Arnold Karlins has been chairman of the Committee on Legislation of the Minneapolis State Bar Association.

Our visitor had a brilliant University career, particularly in the field of public speaking. He was president of the Menorah Society and a member of the University of Minnesota debating team. His debating colleague was Harold E. Stassen now Governor of Minnesota.

The visit of Bro. Arnold Karlins is awaited with interest. He will no doubt bring a message of interest and importance to the Winnipeg Lodge.

BREEZES and BUSINESS

Warm spring breezes are not associated usually with business investments. The coming of summer weather, this year, however, forces us to take stock of a critical situation. One of the most valuable assets of the lodge, the B'nai B'rith Summer Camp, demands our immediate attention.

The report of the last year's Camp Director indicated that the main building is in a deplorable state, and that sanitation facilities are inadequate. When rain interferes with lunch in the dining-room, or the health of young-

sters is imperilled, it is time that something should be done about it. A special committee of the lodge is now considering this problem. It is hoped that it will make an early announcement as to its plans.

The Camp season will soon be upon us. Every effort should be made to ensure that the several hundred needy children and mothers will not be deprived of the two weeks of health and sunshine which we have provided to others for the past 25 years.

Two Worthy Projects

On the opposite page announcement is made of the formation of an Air Cadet Squadron under the sponsorship of the Winnipeg Lodge of B'nai B'rith. Elsewhere in this issue a unique War Savings Stamps Promotion Plan, scheduled for June 17, 18 and 19, is outlined. Both of these projects are very worthwhile and deserve the whole-hearted support of the entire membership.

Jewish Welfare Fund Drive

Results of the B'nai B'rith division of the Jewish Welfare Fund Campaign are very encouraging. From 208 out of 400 cards canvassed an increase of \$1,126.00 is shown. Our quota is

\$13,000.00. Have you completed your cards? If not, please do so immediately and report to the co-chairmen, E. J. Aronovitch and Sam Moss.

B'nai B'rith to Sponsor Air Cadet Squadron...

DEVELOPMENT OF CHARACTER IS MAIN OBJECTIVE—NO MILITARY OBLIGATION

A complete Air Cadet Squadron under the sponsorship of Winnipeg Lodge of B'nai B'rith and under the control of B'nai B'rith Air Cadet Officers has been formed for youth between the ages of 14 to 16. There are also a limited number of openings for Junior Air Cadets between the ages of 12 to 13.

This squadron is part of the Air Cadet League of Canada which has been formed for the purpose of offering lads organized preparatory instruction and to give unity, force and direction to their energies and interests. The primary object of the League is to give Canadian boys an opportunity to develop their interest in aviation and to lay a foundation of sound knowledge upon which they can build. Physical as well as mental needs are emphasized and health training is a fundamental part of the air cadet activities.

Development of Character Is the Main Objective

Actually, the goal of the Air Cadet League may be defined as the creation of a nation-wide organization of our finest youth, educated in a democratic manner, with clear minds and strong bodies, trained in co-operative effort, possessing the qualities of leadership, which will assure their success in every walk of life, whether Military or Civil, commercial or professional, domestic or industrial.

No Military Obligation

It is important to note that while the Air Cadet League of Canada is under the supervision of the Royal Canadian Air Force, the League's responsibility is entirely civilian and there is no obligation upon the cadet to the R.C.A.F. after graduation. The particular interest of the R.C.A.F. in the group is to give proper guidance to the B'nai B'rith civilian committee in charge of the squadron to ensure the cadets receiving the proper course of instruction. While the squadron is patterned along the lines of the Air Force, it is nevertheless a youth development scheme, designed to foster and stimulate leadership among our boys.

Is Your Son between the ages of 14 to 16?

If he is, then he is eligible to join the B'nai B'rith Air Cadet Squadron. Recruiting takes place at the Aberdeen School every Tuesday and Thursday at 7:30 p.m. Applications will also be received through the B'nai B'rith office, 316 Affleck Building, Telephone 28 200.

END SUCCESSFUL SEASON

B'NAI B'RITH BOWLING LEAGUE -- TEN PINS

Wednesday, April 14th, at the Central Bowling Alleys rung down the curtain on 28 weeks of bowling by the B'nai B'rith ten-pin Bowling League.

The finish of the regular bowling schedule was marked by a very fine four game tournament run over four sets of alleys.

The tournament showed up some very fine trundling. The winners of the Halter trophy for first place were the Cubs, captained by the versatile Leon Brenner, who although advised by his physician to refrain from bowling for the season came out to help his team win the Trophy. Ably assisting him were: D. B. Margloese, Ben Rosenberg, Cliff Rusen, Sam Bliss and J. (Zaida) Cherniack. Louis Diner, also on the team, had to mind the babies and couldn't attend the tournament. The total pins bowled with handicap was 3598.

The runners-up in the tournament were the Giants, captained by Lawrence (Longer) Udow. His team was composed of Brothers H. Schwartz, D. Wolfe, A. Averbach, H. W. Levin, O. Hochman and H. Dajtor. Third place was taken by the Braves, captained by Alex Snukal and fourth by the Yanks captained by League President Lew Polsky. The league will wind up its activities at a banquet to be held in the Royal Alexandra Hotel on April 29th, at which prizes won during the season's play will be awarded and election of officers for the coming season will be held.

(5-PIN MIXED BOWLING — Continued)

Championship Roll-off was won by Saul Segal's team in opposition to Nate Stall and Sid Cohen and other winners of quarters. The Consolation Roll-off comprising teams not in the running for the championship, was taken by Bert Settler's team.

The annual wind-up of the 5-Pin Bowling League will take place in the form of a Dinner and Dance on Monday, May 3rd, at the St. Charles Hotel. The dinner will commence at 7:00 p.m.

IMPORTANT NOTICE

Plans are now being made to enlarge the B'nai B'rith 5-Pin Bowling League by the formation of a 16-team League. All members and their wives desiring to participate in this League are requested to send their names in to the B'nai B'rith office.

Comfort Boxes Sent to Members in Services

Seventy-five persons in the Armed Forces are on the mailing list of the Comfort Box Sub-Committee of the War Services Committee of the Winnipeg Lodge of B'nai B'rith. Of this number, 15 are overseas. The list is made up of members and children of members in the Forces, and is growing steadily.

The Committee's work is to keep an up-to-date list of names and addresses of Lodge Members and Children of Members in the various services. Comfort boxes are sent to them regularly, in addition to all Lodge literature.

Comfort boxes were sent out to reach the recipients just before last Chanukah and Purim.

Earle J. Miner who leads the Subcommittee advises that gum, salami,

shaving blades and batteries are popular items in the overseas kits. Salami is also very popular with those stationed in Canada.

Grateful letters have been received at the B'nai B'rith office indicating that the boxes were very welcome. Each box contained a gold service card entitling the recipient to free membership in B'nai B'rith for the duration and also a return card asking for suggestions on improving the Comfort Boxes.

If you know about any members or children of members in the services, please advise the B'nai B'rith office. The information required is the name, rank, regimental number and address. Help us to help our own boys and girls in the Services.

Unique War Savings Stamps Promotion Plan...

JUNE 17, 18, and 19

A novel plan for the promotion of the sale of War Savings Stamps has been adopted by Winnipeg Lodge of B'nai B'rith and will be put into effect on the principal corners of Winnipeg on Thursday, Friday and Saturday, June 17, 18 and 19. This was the announcement made this week by Aaron Vogel, chairman of the War Services Committee and Phil Grosser, in charge of the War Savings Stamps sub-committee.

The scheme consists of selling stamps arranged in novel form from four attractive booths along Portage Avenue. Approval of the plan and permission to set up the booths has been obtained from Mayor Garnet Coulter.

The project originated with the War Savings Stamp Committee of the Winnipeg Lodge and has secured the approval and support of the Executive. It is believed to be the first time in Canada that this type of promotion has been attempted. The National War Finance Committee has approved the scheme and is furnishing valuable assistance. Jewish Women's Clubs in the City are co-operating by supplying an attractive sales staff.

Will you help the Lodge advance the War Effort by giving this campaign your assistance? Let us show the whole country what Winnipeg Lodge of B'nai B'rith can do.

Remember the dates, June 17, 18 and 19 and boost the "B'nai B'rith War Stamps Booster Campaign."
